Reflection Prompts

Americanization:

1. Journal & Exploration (For White Identifying):

Who were my ancestors before we were "White?" Who were we before colonization? Before Feudalism and our subjugation? When were my ancestors indigenous? What did those ancestors believe? What did they Practice?

2. Journal & Exploration (For BIPOC):

Can I see beyond the whiteness of people of European descent? Can I find hope in who they can be and become through healing by recognizing that their lineages extend back to a time before whiteness? To see that some of their ancestors were indigenous to their own land Pagan, Celtic, Sami, Tatar, Nenets and other tribes before the Holy Roman Empire forbid their traditions? To see the history of their being enslaved by capitalism's precursors in their own lands before it spread around the world?
